“ I only got to know Carol about 6 years ago but I sure did enjoy getting to know her. She was caring, kind and a lot of fun to be with. She would always call me when the tomatoes we liked at Butera were on sale. My sympathy and prayers for her family. I will miss her.

“ Carol was a wonderful friend for over 40 years. She had a generous and giving nature and was always ready to lend a hand, an ear or a shoulder to her friends and was such a good listener. We had some wonderful times together sharing a lunch or dinner and always enjoying a good dessert (of course, negating the calories in our minds!). We also enjoyed working together at Scientific Products/Baxter/Allegiance/Cardinal over the years where we became “family”. Because we moved out of the area, we still made sure we kept our precious connection on the phone and in e-mails, catching up with what was happening with our family members, reminiscing about the “old days”, sharing recipes and just enjoying conversation. Carol “waved” to Sam over the phone and Sam always “waved” back. We will dearly miss our sweet friend with the beautiful spirit!! Our condolences to all of Carol’s family. May all good memories fill your hearts with peace!

Sincerely,

Laura and Sam Winton
