“ We will always remember your laugh.  
And how lucky you were in poker (sometimes)  
Garry used to stop by sometime and play cribbage  
the two guys would just sit on lawn chairs in your driveway  
and play a couple of rounds.  
In our hearts forever

“ I remember he had such a good humor, and always smiled a lot. Always full of jokes, and I'll never forget that ugly rubber mask and hands that he scared us kids with. Only happy memories with my Uncle Wayne. I'm sure he and my dad have a lot of catching up to do!  
Rest In Peace,

“ I wanted to say I'm sorry to see him go. I know firsthand the pain you and Doug are going through. I remember just a couple of times that you all came together over to the Prospect house. Dad was always glad to see him. I also remember my last conversation with him was a great one a few years ago. He shared stories of how he and dad used to go hunting and some of his memories of dad. It was kind of him to share them as that's when I really needed them the most. He was a good man and he will be missed by many. R.I.P. Uncle Wayne.
