

Albert Abraham

September 29, 1926 - April 24, 2020

Albert Abraham, 93, died on 4/24/20 from COVID-19. He was married for 65 years before his wife, Virginia, passed in 2014. He was a loving and caring father of 8 children, grandfather of 11 and great-grandfather of 17.

He was a veteran of WWII.

He owned a book bindery for many years. He was a master carpenter, designed and built several of his own cars and helped replicate a Gee Bee Y Senior Sportster, a vintage aircraft, with his fiberglass skills. He enjoyed making furniture and other wood projects. He was a longtime member of EAA and the Replicar Club. Gardening was a relaxing pastime.

Al was a decent, respectable and considerate man. His good qualities are too numerous to mention. He will be deeply missed by family, friends and all who knew him.

A memorial service will take place at a later date.

“ I just wanted to share a story... Albert made Michael and I a wooden name and address plaque when we got married. Even though we don't live at that address anymore, Michael has always had that plaque hung, with pride, in his garage. Michael is a car guy just like the rest of the Abraham's so, you know only things of importance are hung in the garage. He really cherishes that gift that Albert made with his own hands and he always will.
