“ *We have always sat close to Alene and Ed over the years at the Lindenhurst memorial, what a joy! I never knew the last time I would speak to Alene again would be at the Memorial Service in May. I said to her, "Alene, how do you look so young each time I see you?" she replied; "I would give you a tip but I left my purse in the car." That was the beauty of Alene and the humor she had in this life. I believe God will be overjoyed with her company in the eternity she has now entered. Love and prayers from my wife Claudia and me, Pie*

“ I know how hard it is to lose a loved one so dear to your heart. No words can ease the hurt, sadness, and feeling of emptiness. Feel blessed she was able to live her life with ability and mindfulness. And grateful you had all those years to spend with her, to learn from her, to admire her and know she is at peace.

“ To Beverly and the rest of the family we here at the Bybee Cousin Finder Organization wish to express our sincere condolences at the passing of your Mother and Grandmother. Although we never had the opportunity to meet in person, since she was a Bybee, even via marriage, she had to be a special spirit. Our love and prayers go out to all of you.

“ *My deepest condolences to the Bybee family. I was blessed to meet the woman my grand-mother has always talked about, a few years ago at a birthday party at the church. Everyone was so nice to us. my grand-mother worked with Alene at Abbott and they remained friends. I'm not sure if my grand-mother will be able to come to services, but she is saddened by the loss of her dear friend. We as a family are sending our deepest condolences. We will keep you in our prayers.
