“ *Allen will always be remembered by our family. We had many fun times together taking the kids and going camping at Jelly Stone Park in Warrens, WI. The kids loved to watch Allen as he came down the waterslide with our son, Jason in his arms. It was quite a splash. We also loved to go to their house and admire the beautiful roses he had growing in his back yard. He was always smiling, and such a very, very kind and caring man. All of our thoughts of Allen are happy thoughts. He will be missed greatly. We are so blessed to have had him as a friend. Duane and Carlene Schultz & Family*
