“ Al will be greatly missed. I've known him since I was born pretty much. He has always been a great uncle to me. He was a lot of fun and a great man. I wish I could be there to say good bye to him. The last time I saw him was at my father's funeral and we shared a lot of memories and laughs. I send my love and prayers to his family.

“ From poker table teasing...to the importance of the Beatles and to hold tolerance. Your humor still makes me laugh to this day. You will always be missed cousin Al...as I write this the song Boys of Summer by Don Henley is playing in the back ground...we kicked but on that song!

“ *I have 45 years of memories that were all good. Al was my best friend we knew each other like we knew ourselves. I feel like a part of me is missing. A whole in my heart. When Al cared about you he really cared from the bottom of his heart. I know he really loved his family. He was always helping someone and loved to joke around.*

When Al was my stepfather, he would do anything to help me get through some self-defining years of my life. Al had so much heart and would be there - always. This is a huge loss, and I have been confused about it. The world is a sadder place now. I am so sorry, Al - I will miss your fishing stories, guitar playing, discussing music, hanging outside next to your Toyota truck having a drink. You did so much for me in such a short period of time. You will never be forgotten 'Round Here' :(
