“ *My Aunt Alma, my favorite aunt for too many reasons to count. Just one example.*

*I loved that she cared enough about the rest of us to preserve our genealogy. A year ago last fall, we spent a fall day cemetery hopping and were excited to find a family member who had been moved from one cemetery to another but the cemetery didn't record the move. It was a stroke of luck and so fun to see how much joy finding this missing puzzle piece brought Aunt Alma.*

*She was one of the strongest most insightful women I have ever known, and I will miss her very much.*

*Love,*

*Margie*

“ *Alma was one the most wonderful persons I have ever known. I have played cards with her, gone to Marriott with her and been in Red Hats with her. She had a great sense of humor and I feel priviledged to have known her.*

*Sincerely, Pat Bennett*
