“ *I coached Alyssa for three years in soccer. She had the heart of a champion and played like one in our championship season we shared together. She was great friend and teammate to others, always reaching for the next level and working harder than most in achieving it. It was honor to witness her beautiful and tremendous spirit and she will be missed dearly.*

We have not seen each other in a very long time but I will always remember our Bay State Road days with your Mom and I always talking over the fence. So many years ago.

“ We are so sorry for the loss of your beautiful daughter Alyssa. When Alyssa came to visit us she was joking around about her sister just getting her license and how she was scared driving with her. Lol. She was beautiful, kind, respectful all around good kid. Taken way way to soon. We will never forget her. Never forget her smile as she was walking out of my house that day. And never thought that would be the last time seeing her. She is a beautiful angel now and watching over her family. Love always, Cheryl, Dennis, Colin, Colleen & Dreah ❤️

“ *My daughter Megan Taylor was a classmate of Ronnie's at Lakes. My heart breaks for all of those who are affected by this tragic loss. Elizabeth and Kevin, we have met in passing a few times I'm sure, but I don't know you well. As a parent, however, I am overwhelmed with the thought of the grief you are now enduring. Please know that you are in the thoughts and prayers of our community, even those you have never met. You are living every parents unimaginable nightmare and no words or actions will ever take away the pain of your loss. I hope you can find even a small bit of comfort in the fact that you, your other children, and your special angel, Alyssa, are in many prayers.*
