“ Dear George & Alice,  
I am so sorry about Anne's passing.  
I just found out.  
I had sent her 2 emails & note telling her about my last get together  
at my house.  
It was the last Sunday in March.  
When she didn't come or respond - I thought she might be in  
Florida.  
But I thought something else might have happened.  
A friend of mine said I should check the Obits.  
And when I did I was so sad that I missed her Memorial.  
If we would have know - there would have been a whole Kenosha  
group that would  
have been there.  
We loved her dearly.  
We had so many wonderful Basket Convention & Bead & Button  
memories.  
And of course our Sunday get togethers at my house.  
She will be sadly missed.

My prayers & thoughts are with you.

“ Alyce, I'm so sorry for your loss. I had know idea that twirling was a family affair. It sounds like you and your family and friends have many wonderful memories to share.
