“ *Good Bye Dear Tony,
Our hearts are full of memories of you tonight. You are gone from our sight, but we will always remember you.
We're thinking of the first time you came to our house. We didn't expect you to walk into our lives that first night. There you stood in the doorway, and in no time at all you just smiled your big smile and wrapped us in warm hugs. It was clear to us that you were a kind and thoughtful person and that you and Cindy loved each other very much. Those great eyes of yours spoke of caring and a true interest in others as you listened to us, and as we got to know you. You were a wonderful listener, Tony. That was a great gift you gave to people. Thank you so very much for that.
We couldn't have guessed then how much you would come to mean to us. They were just such short years! ... This is Cindy's mom speaking now....Sure I knew you weren't perfect, Tony, no one is, but you were always perfect to me. A real gentleman! And you were generous to me. There was that day that you drove over an hour to give me a massage because I was having a bad day with my back. Thank you. You showed your goodness in so many ways in the few short years that were given to us to know you. You were a man of great worth, and we're so sad that we will not see you again in this life.
But we have such wonderful memories from the last time we saw you! Last October, when we stayed in our camper in Cindy's driveway for a whole week! Before we left for our move to Nevada, we had such a good time with the two of you and with Grace. Those days will always be precious to us. Thank you for the love you lavished on us, and just for being you. Our special thanks for playing your guitar for us that one night.
And when we finally said good bye, you sent us off with more great warm hugs. You had a great heart, dear Tony, and we know we have been blessed because you passed through our lives. May you rest in eternal peace. Dick & Fran*
