“ Dear Mike & Family,

*I'm so sorry to hear of the loss of Tony. We go way back to Zenith Electronics Co-workers. I remember him to be a hard working and loyal employee as well as a devoted family man. A quiet man, but when he had something to say, there was no mistaking his intent. I'm glad we had a chance to visit a few years back '2017 I believe, with a mini Zenith reunion. My sincerest condolences to Mike and family.*
