“ *I got to know Bea in the unit that my father was in at Green Oaks Senior Living. She always had a sweet smile on her face and was so much fun to talk to. I am so sad for your family's loss, I know that she was dearly loved.*

Bea was my co-worker in the early 1970's at First National Bank of Deerfield in Deerfield, IL. She and her husband, Dick, took me and my wife, Vicki, into the their family and we took them into our hearts. They were wonderful people who live on in our memory as people who made a positive difference in our lives. Sending our love to their children.
