“ *I am blessed to have Mike and Marianne D'Amore as my wonderful neighbors. To me, Berna was always "Mike's Mom". I always remember her suited up in her leathers with a huge smile on her face hopping on the back of the motorcycle with her husband. In later years, she always made the effort to shuffle over to pet our little dog. She and Mickey are now riding together across the heavens. Watch for that shooting star in the sky.*

“ *We have many loving memories of spending time with Berna in Florida, Lake Villa, Milton, WI and Chicago. She had a great sense of humor, and was always ready to have some fun. These final years were tough on her and all the family. Sending ❤️ and hugs to all of you. She is finally at peace with the love of her life, Mike.*
