“ *I am saddened by this news. Bette and I cross paths on Delphi. She was a very talented lady.*

Sending prayers and blessing to her loved ones and friends.

“ *If this is the Bette that I knew online for many years (Bette Stoj Anhold), I send my dearest condolences. I had word this morning about her passing and my heart cries, but know she has now joined her heavenly choir. We were friends on-line for about 19 years. I will miss her greatly. Julea Bell*
