“ Dearest Sweet “Mama”,
It has been an honor to be a part of your life for the past 38 years. I was one lucky girl when I met and married Butch and became your daughter in law. You definitely are one of a kind and there will never be anyone else in the world like you! I loved the times we spent together and all the conversations that we shared while traveling to and from your appts. I learned so much about you and the entire family. I will never forget them, that’s for sure. I’m already missing those special times. You will be in my heart always and forever. Rest in Paradise, beautiful lady! You will be missed dearly!

*Love you tons,
Marcey XOXO*

“ Nana Betty,
I’m so happy you moved here to be with us these last 4 years! We got to make so many memories with you from our lunch dates, to target trips, to family days and tanning on your back porch! I wouldn’t trade all the time we spent together for anything. I’m glad I got to be by your side at the end everyday to help your transition as smooth and peaceful as possible. Your fun sassy self will be missed greatly. I’ll miss saying ‘bye I’ll be back soon’ to you when leaving your house and hearing you said ‘I’ll be here I’m not going anywhere’ with a little giggle lol! Love and miss you dearly! Come and visit me anytime! xoxo <3
