“ *Saying prayers of healing and strength for the entire Marks family. We did not have the pleasure of knowing Beverly Marks, but we know she must have been a warm, kind, loving and giving person because we know her son Kevin, and he is a beautiful and loving human being. I am sure he inherited these traits from his mother.*

*To Mr. Marks, Kevin, and the entire Marks family, our heart felt sympathies go out to you. May your memories of the years you shared and the love you hold in your hearts sustain you in the days, weeks and difficult times to come. I pray that Beverly's lovely smile will uplift you and carry you through. The angel you had watching out for you on earth is now looking out for you from heaven.*

*Peacefully,*

“ We have known Bev and Chip for many years as I taught their Son, Kevin, saxophone lessons. Bev was always upbeat and kind and treated me like family. We will never forget her smile, her laugh, her attitude. She was and always will be a class act to follow. Miss you Bev.

“ *What I will cherish for the rest of my life are all of the hand made Christmas ornaments that Aunt Bev made us from the time we were born up into our 20's. Little did she probably know but every Christmas that was one thing that I looked forward to, what creative thoughtful idea did she come up with?! Living states away that was one thing that made me feel connected to her as well as our cards and phone conversations with her soothing sweet demeanor and always calling us baby. She was and is greatly loved forever and always!*
