“ *My name is Carol Flogel and I have had the honor of being Beverly (Jo) caregiver for almost two years. She had a great sense of humor and always enjoyed many laughs with her. She had strong opinions on many things. She had many friends and enjoyed spending time with them. She appreciated Meals on Wheels very much and always wanted to give out candy to the people who delivered it for her.*

*I will miss her very much. I enjoyed the almost two years I got to spend with her.*

*Thank you for sharing this wonderful lady with me.*

*Sincerely, Carol Flogel*

“ I am so privileged to have had the wonderful opportunity to know Joyce as both a caring and loving aunt and a funny and trusting friend. When I was young she was always the fun loving aunt who took us kids for fun car rides up and down Tickle-Belly-Hills. I remember her as always joking and laughing. As I grew older, our visits became less frequent and centered mostly around holiday visits. Around 1190, I moved back to Illinois with my family after living 14 years in N. J. I found myself in the situation of being able to work alongside Joyce in my parent’s small family business. It was during that time that Joyce became more than a loving and caring aunt, she became my trusted friend. I was lucky enough to have her for my clever card partner, hardworking co-worker, and best of all, along with my mom, my fellow babysitting partner to my sister’s twins. She had an amazing way of reading my moods and helping me put everything in perspective with her wise and witty ways. I will miss her until the day I die at which time I know we will once again be together. I thank Joyce for her never ending devotion to my Mom and Dad.

“ I have the best memories of my one-of-a-kind loving Aunt Joyce. Our family will miss her stories and great sense of humor. She always carried a sparkle and smile with her. Her fierce love of family and friends impressed me throughout the years. Her devotion to my Dad was unwavering. She will be so missed by all of us. Sending love and thinking of your family, Robin.
