“ *I'm a volunteer at Victory Lakes and at the end of last year, taught Blanche how to use an iPad. At first, Blanche didn't want to have anything to do with the 'computer'. But after seeing what it could do, she would constantly come down to play solitary on the iPad and she loved it. Blanche, you will be missed!*

“ *I was a nurse at Victory Lakes that cared for Blanche. A year ago, I left Victory Lakes, but continue to come into the facility as a hospice nurse to see patients. It was a pleasure to see Blanche and continue our relationship. She was an inspiration and a delight!! I will miss her.....May Blanche sleep in heavenly peace.....*
