“ *When Carol was my neighbor, she became my friend quickly. Both of us Cubs fans! She was so kind to Tom and I, she always made sure I knew she cared about what was going on in our lives. Praying for me and my family. I prayed for her too. When our kitty ran away, she prayed to St. Frances. When she was watching Isabella and Jackson, it was a real joy visiting with them. What a special relationship they all had! My brother visits us often and after Carol moved out of Falling Waters, she allowed my brother to park in her driveway. As a matter of fact, my brother still has the sign he used to put on his windshield to let anyone know he was at 3105. Carol will be missed, I know she's an angel watching over me and many others. Sincerest condolences to her entire family. Sheryll*

“ *My sweet sister you are now reunited with your wonderful husband. I'm sure the rest of the family was there to greet you. Even though we were miles apart, I always enjoyed our phone calls every day. I still can't believe you are gone, but I know you are now healed in God's arms. Rest in peace until we meet again. I love you and will always be in my heart.*
