“ *My condolences on the loss of your very special mother, grandmother and mother in law. I have so many wonderful memories of Mrs. Kasper. She was was the best neighbor anyone could ever have. No one was more fun than Carol—whether it was sports, games, gardening, fishing or organizing garage sales she was a pro. She had a heart of gold and time for everyone. I am so lucky to have known her. I know how you will all miss her so!*
