“ We were very saddened to hear of the passing of Carolyn so close to John’s passing but their hearts will be reunited again in eternity. Our condolences go out to their daughters, sons in law, grandchildren, and extended family. We have very fond and wonderful memories of Carolyn, John and their daughters during their life in the suburbs and at their beautiful home on the lake. She was a very loving, gracious and caring person. A truly wonderful couple we were honored to know.
