“ Chuck was Jason's football coach way back in the 90's. It was always Miller time at the end of practice or a game. The boys all loved Coach Grasser. We started running into Chuck at Walmart and catching up with him. Chuck always had a smile and a few minutes to talk. He loved his family and was quite proud of them. He will be missed.
God will enjoy him now.

“ Chuck was always a highlight of my day. He used to stop in the bank and tell me one of his jokes, they were usually long, and he would make these dramatic pauses, so I thought I missed the punchline, and I would laugh just in case, however anytime I would start laughing he'd stop me to tell me 'wait a minute, I haven't said the punchline yet' haha. I still look for him every day, and I don't think anyone will get used to him not being around, he was one of those rare people that made you want to be a better person, because he really saw the best in people. I am so sorry for your loss, you are all in my heart.

“ Uncle Chuck was a warmhearted loving man. His love and caring for family was evident always, but never as much as when he took his elderly father in and cared for him during his last days. You will have great company in heaven, your old buddies Andy Anderson and Dave Wirtz, are there to spend your eternity with!

“ Chuck has been one of my favorite people to see at work. He had a good sense of humor and we would joke back and forth; making our day go by a little better. He will be missed by me and so many others that knew him. His family and friends are in my thoughts and prayers. Rest in Peace Chuck

“ It was always a huge surprise when Chuck would drive "up north" and unexpectedly drop in. He knew he was always welcome either with our family (Uncle Joe and Aunt Alice) or any of the other aunt and uncle's homes. We never had to worry about what to serve him as he ate anything and would sleep on the couch.
I remember one time as a kid, we visited Uncle Ray and Aunt Julia. Chuck, my sister Linda, myself and some other kids played hide and go seek in the house while the adults went to play bingo. We "tore" the place apart and had the greatest time. Chuck was the ring leader!
My deepest sympathy Kathy, kids and grandkids. Chuck was a very special man.

“ *I worked with Chuck at Walmart and he always had a kind word, a smile, and sometimes joke for me. Even after retiring from Walmart, every time I came into the store Chuck would say hi to me by name and inquire how I was doing. I will miss seeing him.*
