“ I only knew Christie through her son Logan and my son playing volleyball together. We met at a high school tournament and started chatting. Then Logan and my son were in the same traveling volleyball club and she and Mark would help with carpool, taking or picking up the boys from practice. We became friends and would always make sure to find each other and talk at the tournaments or High School games. My heart is breaking for Mark, Logan and Emily. Christie was a loving mother and wife and a burst of sunshine to her friends. Prayers of peace to the family during this difficult time. Dale, Meileen and Trevor Van Diggelen
