“ *It's hard to remember a time when Corrine was not part of my life. I was so blessed to meet the Thiel's when I was just 15 years old. I cannot recall our first meeting, but all I know is that since that time, she and Jerry have been like my second parents.*

Regardless of the topic, Corrine would always listen to me as if I were her own daughter. She'd provide insight and support and never be afraid to tell me that I looked tired or worked too much. She always provided a welcoming mother's hug - a kind of lingering hold that radiated love.

I think most of all I will remember how much Corrine laughed. I can think of countless visits with both Corrine and Jerry and it seems that all we did was laugh.

I am saddened that I cannot be there for the services, but know that I will always remember those special hugs, the love-filled scoldings, and that wonderful laugh. I will always hold "Mom Thiel" close in my heart and I feel so very blessed that she was part of my life.

My thoughts, support, and my love are with you,

Gloria
