November 11, 1955 - February 28, 2020

Craig MacMurray of Lake Villa, Illinois, age 64, passed away peacefully on Friday, February 28, 2020.

Craig was born on November 11, 1955 in Chicago Heights, Illinois to mother, Shirley (Westphal) MacMurray and father, the late Charles G. MacMurray.

Craig grew up in Flossmoor, Illinois and graduated from Homewood-Flossmoor (H-F) High School. Craig earned his Bachelor's Degree from Cornell College in Mount Vernon, Iowa where he majored in Political Science and Sociology. He was a member of the Mu Lambda Sigma or MILTS fraternity at Cornell. Craig loved the work of first responders and after college worked as a cadet and then a state-certified firefighter, engine operator and rescue specialist instructor with the Flossmoor Fire Department. Craig also served as an Auxiliary Police Officer in his hometown of Flossmoor. He learned to scuba drive and went on to become diver-rescue certified as well as becoming a paramedic.

Craig received his Master's Degree in Safety from Murray State University and served on the volunteer rescue squad in Murray, Kentucky before moving to Indianapolis to work in Call Center Customer Service for Cingular Cellular and AT&T Wireless. Craig later moved to Rantoul, Illinois and later to Chicago and Bloomington, Illinois for work in different management and training roles for call centers in the restaurant and financial industries.

Craig loved canoeing on local lakes, reading, playing with the many dogs in the family, making friends via HAM Radio and most of all, watching movies and spending time with his family. Craig's friends and colleagues over the years remember Craig as a highly respected professional, and a kind and loyal friend who was fun to be around. He could answer most any Jeopardy question and always looked to help family and friends through his words and deeds.

“ *Mac and I were true friends and pals at Cornell College. His sense of humor and caring ways touched many lives. Like Dan below, we resided in Tarr Hall and were known as Tarroids. I am happy that he continued to touch lives after departing from the Hilltop. My lone regret is that I was never able to locate Craig after my graduate work was completed. I extend my earnest sympathies to his family. Please know that he will never be forgotten and always remembered.*

*Blessings,*

“ *I'm sorry to hear of Craig's passing. "Mac" (as he was known to everyone) and I were friends and dorm-mates together in Tarr Hall at Cornell for three years. He was a loyal friend, always ready to help out in any way he could. I am glad to learn that he went on to help so many in his various first-responder roles - that was his passion even back in our college days. My sympathies to those he leaves behind. Farewell, friend. Dan Brady*
