

Curtis Johnson

July 16, 1937 - March 25, 2015

Curtis E. Johnson, 77, of Bristol, WI passed away on Wednesday, March 25, 2015.

Curt was born on July 16, 1937, the son of the late Herman and Mary Johnson. He served for 6 years in the United States Navy and almost 30 years in the United States Naval Reserve. During his time in the USNR (while still employed full time with two children) he was highly commended for his superb service in a secret task group involved in antisubmarine warfare operations against Soviet submarines. Curt traveled all over the world while in the Navy Reserves (Turkey, Spain, Phillipines, Bermuda, Hawaii, Japan, Malta and many more.) Because of his height (6'7") he ended up in the Air Naval division flying the P3 Orion. Curt was a proud veteran and made frequent donations to the USO

Curt was a huge Cubs fan. He loved to dance. He created a creative palindrome for his license plate, CURTRUC. Curt had a great sense of humor, loved to play cards and cribbage, and enjoyed westerns and Dean Martin roasts. He was employed for 52 years at Culligan.

Curt's friends spanned many generations; he was friends with people of all ages. To all that met him, he was unforgettable.

Curt is survived by his children Rhonda Johnson Perry and Eric (Beth Koch) Johnson, grandchildren Rachel Perry and Alyssa Perry, brother Herman 'Bud' Johnson, and by his Most Significant Other Shirley Wolff.

He was preceded in death by his wife Bonnie Lee Johnson and by his brothers Wallace Johnson and Gerald Johnson.

“ I spent many years and many hours flying with Curt. There were two things I remember him being very proud of: 1.) His family and children, and 2.) His devotion to the Navy and his squadron mates. He was and is an inspiration to me, and I will miss our occasional phones calls and visits after our retirements from the squadron.

I knew Curt through my friend Shirley. I remember running into them or him be bopping through town. He always had a hi and a smile. I think that's what I will remember him the most for (his smile) plus, of course, the nice person that he was. Even though I didn't know him as well as many of you did, I knew him enough to know how nice he was. I know he will be missed deeply by so many. My heartfelt sympathy to the Johnson family, the Jelinek family and Shirley. God bless!

“ I first met Curt when he was a "Culligan Man" repairman. When I opened the door and saw how tall he was I immediately apologized because of where the water softener was located. Some of you know we do not have a basement. The softener is located in a 31/2 foot high crawl space. Even on his knees it was difficult for Curt.

Curt noticed a hand craving of flight wing we had hanging over the fireplace and asked about them. It was given to Richard when he left VP21 in Brunswick, Maine. It turned out Richard was Curt's division officer at that time.

Our thoughts and prayers are with all of Curt's family and friends.

“ Curt Johnson will be missed by many including Mary and me. It was a huge blessing to know him. He could tell a great story, dance up a storm and share some wonderful recipes on Facebook. He was blessed to have great kids, and isn't that what life is really all about.

“ *The first time I met Mr. Johnson is when I accepted a ride home from school. He had a convertible. Although I got the lecture about not accepting rides from strangers it was the beginning of many friendships.*

Rhonda and Eric, my condolences to your family. I will always remember the very tall man with a great sense of humor.

“ Curt:

Curt was a great neighbor, we move in across the street from him 10 years ago, when we moved in we would sit outside by the fire with Shirley and a few neighbors have a glass of wine or a beer or soda and talk and tell stories he was always so nice to talk with, I would meet him at the mail box and just stand and talk to him it was always a pleasure and we both bought new Kia's and we would run into each other and the local dealer getting our unlimited free car washes, or at a local restaurant he would always take time to stop and talk to you!

Curt was a wonderful neighbor and he will be dearly missed. Our thoughts and prayers go out to Shirley and all of his family. Lou and Pat Wahl

My sincere condolences to Curt's family and close friends. Curt and I met at Hackney's on Harms and he persuaded me to sign up at NAS Glenview. Later at Hackney's in Wheeling he was the Kitchen Boss/Bartender for years. Great guy, good boss (to young and impressionable teens and young and older workers. We who knew him will smile to remember "Old Sequoia".
