

Daniel S Conforti

March 5, 1952 - July 28, 2021

Danny passed away surrounded by his wife and 2 sons on July 28, 2021 at the age of 69 after a long battle with cancer.

Danny, my husband, my everything!
When I think of love and Danny,
Love is an action word not just a feeling.
Danny was one of the good guys!

He always put his whole heart into being a good husband, father and grandfather. He kept our family safe and happy. He made me feel like I was the most beautiful woman in the world. He was a loyal and faithful husband. He was never too tired to take us to one of our favorite parks after a long day at work. Weekends were full of Road trips, festivals, museums, air shows, the zoo, fairs, carnivals, sporting events and parades. He loved Halloween! The holidays will not be the same. We are lucky to have such great memories.

Daniel Steven Conforti was born in Chicago, Illinois on March 5, 1952 to the late Gabriel Conforti and Lena (Marcellino) Conforti. He is survived by his wife of 43 years Linda (McNeely) Conforti and his sons Jason Steven Conforti and Adam Christopher Conforti and his grandson Lars Steven Conforti, a partner to making mischief, and his sister Diana Conforti. He was an Uncle and great uncle to many nieces and nephews. His Nephew Brian was another partner in mischief-making. And he was loved by many cousins. He is preceded by death by his son Keith Allen Conforti and many loving Uncles and Aunts. Dan loved his time in the USNavy. He was a member of the bluenoses a unique group of sailors that crossed the Arctic Circle on a ship.

“ Goodbye Dad; I love you.

You were a wild man and never boring. I miss your joking, your high octane energy; you always turned up to 11. You were the toughest guy I knew. You battled, and had all the scars to prove it. You never screwed anyone over and always helped. When something wasn't right you stood up and said something, you took action. I am so proud of your service in the Navy, I know that's something you were extremely proud of too. While others ran from the draft you stepped up and volunteered. Your service will forever be honored by myself and your grandson. I learned hard work and how to hustle from you; you were never lazy. You always had my back and I'd like to believe you still do.

I love you and miss you.

“ Danny will be greatly missed. We enjoyed many dinners together with Danny and Linda. We always looked forward to our dinners together. John and Danny loved talking about cars. And mostly we will miss Dannys great stories. He was a great story teller. We wish you peace, our buddy Dan.

My friend Linda what can I say to bring you comfort? I enjoyed what you said about Danny, he was a good guy. One of the best. And funny he always made us laugh.

Much love to you all. We will be praying for you all to find peace in this difficult time.

Your friends, John & Kathy Pfister
