“ *Dolly and I have been friends since 7th grade. I remember all the fun times we shared together as teenagers. Later on, she encouraged me to golf, to take golf lessons, and to join a golf league. The two of us had great times golfing many golf courses in Lake County and Wisconsin. Dolly was creative and enjoyed painting. She was a very giving friend. Now, I have all these lovely pictures and things she made me to remind me of her. I will miss Dolly. Rest in Peace my friend. Love always, Joyce*
