“ *David was a friend of mine all throughout high school. I could not believe my eyes when I heard of his passing. He was such a fun person to be around. His bright smile always made the room so much more passionate and happy. I will be praying for his family that they have the strength to get through this unexpected and difficult time.*

“ *I'm so shocked and saddened by Dave's passing. Back in high school he would check on me almost everyday at lunch while I was in the library to make sure I wasn't studying too hard. My favorite memory has to be when we were at homecoming senior year. I had lost my friends in the crowd of people, and we just weren't having that much fun because the DJ turned the music off to yell at the students to stop throwing glow sticks at him. So Dave suggested that we leave to get ice cream at the Dairy Dream up the road. It ended up being way more fun than the actual dance. The picture below was from the dance right before we left. I'll never forget that. If it wasn't for him, I'd wouldn't look back on that night so fondly. I can't believe you're gone, but I truly hope you found peace. You'll be missed.*
