“ *A little lost, is the term I would say,
Just another hour, just another day.*

*It will get better tell the folk around,
I'm seeing, I'm listening, I'm not hearing a sound.*

*A numbness encircles me, stupid, I know,
It's been a while now, I should really let go.*

*I miss him so much, a huge hole in my heart,
I can't seem to move on without him being part.*

*My heart knows he is here, he'll make sure I'm just fine.
Thanks for the joy, my friend, that brother of mine.*

*I miss you Dave.
Love always,
Your sister, Gail*

“ *Today I lost someone very special to me. I am so proud of how hard my uncle fought this horrible disease. Watching him fight this battle was extremely hard but through it he taught me how to have strength and courage and how to never give up. If heaven wasn't so far away I'd be there in an instant. Words cannot describe how much you're missed here but I know you're looking down on all of us. Your memories are in my heart forever I love you Uncle Dave. ??*

“ *Never a dull moment while you were with us Uncle Dave. We had fun getting into trouble with you and would laugh when Grandma would scold us. Christmas paper fights and eating at the "Kids Table" will never be the same. You were strong for your family and are loved by many. It's just a matter of time until we meet again. We love you and we'll miss your laughter.
