“ *Diane was born with a good heart. In four years in the Grayslake High School choir, I never witnessed anything but her extension of love to others, the willingness to help others, her expressions of care and devotion to family members, and her desire to adore little children, and strive for a closer, always closer, relationship with God. She truly was a Caregiver to all whose lives touched hers. I will always remember this...*

“ *So sorry for your loss. Diane worked at Murphy School. When she first started working there, I really didn't work with her. However, when I was the special Ed. teacher in 5th. grade I did get to work with her. It was a joy and pleasure to work with her. She would come in during math and she always went above and beyond expectations. She was always so concerned with the children and how she could help them. A great woman who touched a lot of hearts. She will be missed at Murphy school and by all the teachers. RIP Diane. From : Joanne Pokrajac*
