“ *Donnie.....seems like just yesterday we were on the softball field playing back to back games. Here we were just kids ourselves raising our kids on the ball field. If we weren't at Dugdale or Belvidere.....we were at Rockford or Furlans. You were and always will be a softball icon. I always looked to you as indistructable. Who knew when we all sat together at Tuck's funeral, that you would be the next to go. You will be missed. Rest in peace, my friend!! John Foster*
