“ *Many of us Sisters of Charity met 'Grandpa' when he made the arduous trip, two weeks before he was called Home, to be present at the graduation of his granddaughter Sister Kateri in Connecticut. In that one brief knowing, we were captivated by his love for life, for his family, and for his Lord. We lift him to that same Lord in prayer, and ask him to remember us before the Eternal Vision of God. May he rest in peace.*

*With loving hearts,
The Sisters of Charity of Our Lady, Mother of the Church.*

“ Darlene

Just wanted you to know how sad Andy and I are with Don's passing. We all know Don is in a better place without the pain, chemo, radiation. Don was a amazing man with an never ending smile. He put up the best fight possible against that terrible disease and was an inspiration to all. He will be greatly missed in our neighborhood, at the bowling alley and in our lives. Darlene our prayers will continue for you and all of the Stressler family.

*Love,
Karen and Andy*

“ Great people are not always the ones we read about in books. Sometimes they are the people we meet in the neighborhood. The measures of greatness include the number of smiles created during a lifetime, the quality of one's family, and the good memories left behind. Don was unquestionably a great man. We are thankful for the time spent with him, Darlene, and the family.

“ Dear Darlene: My heart is hurting for you and your children and for Judy and Chuck. The Don Stressler that I knew and will remember was a people magnet. His caring, warm, good nature and smile (even when he was grieving), will be sorely missed. There are some things we don't want to share with those we care about. Two of them for me and you are the heartbreak of losing a husband and a child or children. I will never forget how much he cared about your mom. I believe that she was standing hand in hand with Jesus to welcome him into heaven. And with them were Dave, Paul, and your dad. I love you and I am so sorry. I hope you can feel my hug from where I am out of town.

Love, Pat
