“ I have not seen Aunt Dottie since I was a youngster! Even then I always thought she was such a prim & proper lady! Always dressed to the nines & hair & make up all in place. I adored her Midwest accent & city lady proper ness with her English. No wonder she enjoyed her work in the Library & The “ Somewhere in Time” trips. My thoughts & prayers are with my cousins & her friends! Grieve has a Slow Wisdom & Aunt Dottie led a long & fruitful life . Evidence of that are the family she left behind to live on with her in their memory! ❤️
