“ *As I sit here pondering how to describe what a wonderful man Poppy was, I realized that there would not be enough room on this page to write all of them. He simply was an amazing man with a heart of gold. Over the years he has been such an inspiration to so many of us, and we have all benefited from his wisdom and knowledge. Most of all, we have all been blessed to have had Ed touch our lives. My two son's Josh and Alex I think have been blessed the most to have had this wonderful man as their grandfather. I know that they as much he enjoyed their long talks especially about wrestling. I never quite figured out if Poppy had always liked wrestling or if he started watching it when him and mom use to babysit the boys. All I know is that it formed a wonderful bond between the three of them. My life has also been blessed, because Poppy was the best father in-law a girl could have asked for. His love and support over these past few years has meant more to me than he will ever know. I will miss the light that he has shined so brightly into our lives. While time does eventually heal all heartache, it will take a long to fill emptiness that the legacy of Ed DuBrock has left behind. Our memories and love for him will keep him alive in our hearts forever. You will always be loved and deeply missed dad. Until we meet again, love your loving daughter in-law Deeanna.*
