“ *Hi David, William, Corey, Mark and Laura. I know I met some of you at your mom's house when I came out to visit with Uncle Leo. I was searching for information about my mother, your Aunt Dawn. Elaine welcomed me into her house, made a fantastic lunch and was kind enough to tell me what she could about my mother. She later sent me some pictures she came across. I wish I would have had a chance to get to know Aunt Elaine better because was so nice and cared so much about her family. Please be assured of my prayers for her and for all of you.*

Becky and I hold a special place in our heart for your mom Elaine and also your dad Ray. They were super great neighbors to us. I always enjoyed the way your dad had treated my young kids. In particular when my son Leo would ride his bike down the street Ray always checked the air in his tires. He took great time to teach me how to cook smoked Salmon. Once I learned I cooked one myself and took it to him to have some, and informed me he didn't eat it. That made me laugh. Your mom always treated us with various chocolates she made during holidays and any other time she made treats. The best she made for me were the jalapeño poppers. They were great people from an era where character and honesty came from. God bless them both. My deepest condolences to their entire family.

“ *Elaine was one of the very nicest ladies I've ever known in my entire 72 years. I also worked at Dalgaard's as a kid, and before that at Snow White Grill. I have the nicest memories of her sweetness always, and of her family. My very sincere sympathies to you all! How lucky you all were to have her in your lives! Rest in peace Elaine.*
