“ *Elsamarie my sister, my heart is heavy that you are gone, you the only immediate family member I had left. You are now with Dad, Mom, Reno & All our loved ones in heaven. It's probably a celebration of get togethers like we knew & remember. I know you were not ready to go, you expressed a lot in the recent years and I know we grew closer after a lot happened during those years. You are truly in a better place with a lot of love all around you, may you rest in peace now & forever! Please know you will be in our hearts forever! Please give Dad, Mom, Reno and all our family my love! You will always be in our hearts and never forgotten! You can now REST IN PEACE!*

*All our Love,
Your brother Frank
& Francesca & Marc*

“ *Elsa Marie was my first cousin and was very good at ceramics. She built a beautiful Christmas village that she was very proud of. She also loved to read and there were many times long ago that we would discuss what we both read. She was very proud of her family and loved to promote good causes when her daughters were trying to sell something like girl scout cookies. We have all aged since then and sometimes forget the simple act of kindness. I miss the relationship we once had a very long time ago.*
