

Euphemia Spirawski

December 13, 1928 - July 13, 2021

Euphemia Spirawski, age 92, Hanover Park, passed away peacefully in her sleep on July 13, 2021.

Born Dec 13, 1928, in Illinois, she was raised by her mother Wanda and her dearest grandmother Martha. She had a sister, a half brother, and 2 half sisters.

Euphemia had a wonderful life with her sweet dear husband of close to 60 years, Hans Spirawski, whom she loved every day of those 60 years and he loved her.

Mom graduated from college when she was around 55 after working hard to help support and raise her family. It was a beautiful proud day for her and her entire family.

Euphemia taught in several preschools for years loving and teaching hundreds and hundreds and probably thousands of sweet children. What a rewarding career.

She also was a member of the church choir for many many years.

She is survived by her dear daughter Jacqueline (fiance Randy) Havemann,

who first took care of dad, then our dear mom for years.

Also survived by sons Chris and Raynier, grandkids Ashley and Tristan, and a great Grandson Ryder.

Euphemia's dear loving husband passed in 2016 after a long battle with dementia, leaving mom and everyone else heartbroken.

We were so blessed to have the most wonderful mother and father. They loved us so much and provided for us every day. They took us to Mass every Sunday for years! They were always there for us. Mom was the life of our lives, her deep love was endless.

Our hearts are forever broken but we know she is with the Lord in Heaven and with her so much missed husband and all her family.

She will be forever missed.

God bless you, mom.

All services for Euphemia will be private.

We hope these words will come true in your innermost being, since
what unites you forever, will never fade by death - love and

“ My Aunt Fay
When I think of her I think of the saying
This little light of mine I'm going to let it shine because she was the
brightest happiest person I ever knew
Who made you feel so loved instantly
I carry this in my heart today
To the world you are one person
But to one person you can be the world
