“ I am so thankful for the time I got to spend with her at Dennis's daughters wedding. Auntie Florence and I danced and she made me feel like a little kid again! I will always cherish that memory with her. She will be greatly missed! Love you Auntie Florence!

“ *So many memories of Flo. There isn't a single time I was around her that I don't remember.. The crazy things she would do just couldnt keep you from laughing.. The best memory I have is being at Kelly's Bleachers and her getting a biker to let her sit on his Harley... She will be missed very much but I know she is probably already getting into trouble with Rosy and Sofy .. Many prayers and much love goes out to the family to help you all through these hard times.*
