“ *There are no word to express what I feel at Frankie's passing. I am just numb inside. He was taken way to soon. No matter the years that have passed , he always still had a big part of my heart. I will miss you T. Bear . Rest in peace with the angels. XOXO 143*

“ *There are so many great memories we have of Frank. but one comes to mind that always brings a smile to our face, when we nicked named him "Frank the monkey". As everyone knows Frank was always there to lend a helping hand. Well we had a neighbor who had several tree branches hanging precariously over his house,so Frank, Mike, & Jimmy Kretch came to the rescue. Frank volunteered to shimmy up that tree, He was remarkably agile up there just like a monkey & got the job done. They had one mishap when one branch fell through the roof, but Frank helped fix that too. Frank was a man you could count on no matter what. A true friend, someone who would volunteer his time and didn't need to be asked. We will sadly miss him. We hold you and you family in our prayer in this time of sadness. May strength and peace be with you. Mike & Sherry Madsen*

“ *So Sorry for your loss. Your family will be in our prayers. Knew Frankie as a teen. His smile was one you couldn't forget. Even back then was the outdoor guy. Lost contact when his sister passed, but so glad so see he found true love and could share his outdoor knowledge with children and grandchildren. May your memories sustain you in this time of loss.
