“ Sending condolences and prayers to George's Family. I taught and coached with George at Niles West HS for many years. He always cared for and about his students and student athletes. His legacy at Niles West is well documented. He was a very good teacher and an even better friend with a smile always on his face. We will keep his memory alive with tales and stories.

“ LaVerne and I have been friends since high school and with Bud when we met him a few years later. We enjoyed many family get-togethers, including pool parties at their Mt. Prospect home, as well as functions and parties with couples. Bud enjoyed having fun and sharing good times with family and friends. In addition to spending time with the Gallas in IL, we visited them many times in FL and appreciated time on their boat. Bud knew exactly how to attract dolphins, which added to pleasurable days. I am so grateful for many years of friendship and priceless memories with Bud and his family, and he will be greatly missed by all of us. Much love from Janet Bell
