“ *Debbie & Danni,*

My heart aches. So many memories of the good times with George. He meant so much to the kids....especially Chris, his "rent-a-son". Early morning waffles, howling at the moon, roaring bonfires, awesome Halloween parties....the list goes on. Thank you both for sharing Goerge's time here on earth with so many of us. He will be missed tremendously.

All my thoughts and prayers ate with you both.

“ George, thank you for being the official neighborhood greeter and making everyone feel welcome all the time. Always a smile and a beer to give. Thanks for all the fun memories, you will be missed. Deb, I pray for God's arms to hold you and your family tightly. We are not right there anymore but if you need anything we are here. Love, Janet & Bill Doree.

“ Debbie and Danielle,

George was so much fun and also made us and everyone around him feel special. Our first Thanksgiving here, you both opened your home to us as a part of your own family. You guys made us feel like family ever since we first moved in. We have great memories of George - Bike ride from 4th Lake, Christmas Story boxer shorts, toilet antics in our dining room, deer heads on stumps, Halloween parties, bowling, watching Chicago sports, being his "Sensei" and so much more. We will cherish these memories forever. Until we meet again, George, say hi to Jack for us. Lamar, Marcy and David Knudtson

“ Dearest Debbie and Dani- We were shocked to hear of George's passing. He was a great guy and he will be missed. Paul remembers George teaching him about "guy time." I remember many times with George, but especially our trip to Summerfest to see Cheap Trick. We had a great time all day ending with our seeing them from about the third row. George was yelling "Cheap Trick" constantly and high five-ing everyone around him. It was one of the happiest I've ever seen him. We have missed you since moving away and are very sorry we could not be there for you during this difficult time. I am also very sorry that I will not be able to have another beer with George unless they serve beer in the afterlife (which would be nice). I will have an Old Style in his memory. Our deepest condolences, Paul, Alex, Olivia, and Paul Gada

“ Debbie and Dani - Words cannot express how sad we are to have heard about George. Even though we are not physically there in Oaktree, we will always be apart of that family. George will be sorely missed. His smile and sense of humor has touched so many. Please know our prayers and thoughts are with you and your family.

“ Geeeeeeoorgey! Although we only joined the neighborhood 2 years ago, it feels like we have been friends for a lifetime. YOU will ALWAYS be our neighborhood DJ! YOU will ALWAYS be our neighborhood watch dog (BARRRR...ARRRF..ARRF..arrrrrrrf!). YOU will ALWAYS be Jackson's peanut butter and jelly buddy. YOU will ALWAYS bring smiles and tears to our eyes when Northwestern football begins every year, Cubs baseball and when "8th of November" fills the air. I miss you dearly already! Thank you for welcoming our family into your inner circle! Thank you for making me a better man and father to my kids.

You are now in GOD's Kingdom! Debbie, Dannie and Corona are in good hands but I know you already know and see this.

Much love!

Chris (Chrissy), Nicki, Jackson and Rylen!

“ George, we're gonna miss you and your humor. Your Beagle howl will still be heard in the Biggs household and we will think of you when we hear our Beagle. We know you're in the arms of our Heavenly Father. God bless.
