“ *Brock, we are so sorry to hear of your Dad's passing. We have been in Florida since the Jan. 1st and did not know. I used to work with him at Bob's Outboard years ago and used to have a lot of fun with him.*

Our thoughts and prayers are with you and you whole family.

“ *Brock, Dirk and your family, chase was an amazing kind and generous person. My family and I lived across the street from him for many years. He was a wonderful neighbor and friend. He helped my ex-husband after we moved away. I have thought of him often over the years and always with a smile on my face. May you always remember him with a smile as well. Sending deepest condolences.*

“ *We knew him as Chase, he was our neighbor at Rock River Leisure Estates for over 20 years plus. He was a quiet man, enjoying the peace that we all found up at RRLE. He respected all of our need for quiet time up North but he was always quick to enjoy a cup of coffee and conversation or just conversation.*

We could count on him to keep a watchful eye on our property or tell us events happening in the community and around town. Many times if we went to the local asparagus farm, he would stop by and share his purchase. He was always willing to help a neighbor who needed an extra hand or share of bit of homeowners repair advice to any who asked.

We will miss him very much. We can only imagine how much greater you feel the loss of your brother, father, father-in-law, and grandfather. He talked about all of you with much love.
