“ *Sister, we grew up together, shared the same room, we shared secrets, laughter, and tears. I will never get over losing you, I love you Laura, remember, your mom will always be with you, even if you can't see her. She is the smile on your children's faces, she is in the sound of their laughter, and the wind in their hair. You were her baby, her life, her daughter, she was so proud of you, I'm so very sorry*
