“ *Janet, we are so sorry to hear of Howie's passing. He was a true gentleman and one of the nicest and most congenial guys I've ever known. The times I spent in the boat fishing with him are some of the happiest in my memory. Everything he did, he did with enthusiasm and gusto; just the way he lived life. Penny and I hadn't heard of your loss, and feel bad that we missed the service. Sending love and prayers to you and family.*

“ Over 73 years of friendship. Growing up together at Long Lake, we swam, boated, sailed, ice skated and ice boated, and when we were bored, we'd walk around the lake. As time passed and we had families, our paths went separate ways, but we always stayed in touch. Camping trips when our kids were small to retirement camping with Janet and Howie in Florida, he was a true lifetime friend. Our hearts go out to Janet, Diane, Laura and their families with his passing. Rest in peace Howie, you will be missed.

“ There are many memories of Howie. I will always remember, the love of his home he had and his yard and garden, and his cooking skills. Always trying something deliciously new. Especially his homemade breads. He lived for the spring to come to start his seedlings, and share how they were coming right along. He tended to his garden like he would a baby. And what a crop of so many wonderful veggies and he shared with all. Thank you Howie for your generosity. Your garden will go on. You will be deeply missed, always remembered. A fine brother in law you have been. Love from our family. Love Patti
