

Jacob David Kaminsky

November 30, 1998 - September 14, 2020

Jacob David Kaminsky, 21, passed away Monday, September 14, 2020 at work doing what he loved in Florida.

If Jake was interested in something he was all in. He loved scooters; he designed an SCS clamp, had them machined, and Evergreen Scooters was born.

Roller coasters, now that's another world. K'NEX entered his life at about age 4 or 5. It didn't take long until he could combine the sets to make bigger rides. Of course, living so close to Gurnee, his home park was Six Flags. He knew it like the back of his hand before he ever had a job there. Jake started rock climbing and worked at Life Time Fitness to better himself, knowing it would help with his dream to build a roller coaster. Walking past Superman at about age 6 or 7, Jake said, "Mom, I am going to build a roller coaster!" Well he did it.

After Six Flags, he worked as a mechanic on Mako at Sea World for a year until this young man under 20 years old was told he would be hired by Rocky Mountain Construction to help build a hybrid coaster - Iron Gwazi in Tampa. Jake loved working on all kinds of rides and roller coasters, including the Sky Flyer.

He is survived by his mother and step-father Kandice (Don) Konieczny; father David Kaminsky; sister Jessica Kaminsky; step-siblings Alyssa, Jenna, Kayla, and Brandon; grandparents Linda and Jim Bailey; and by many aunts, uncles, cousins, and other family members.

He was preceded in death by his grandparents Burt (Sherry) Kaminsky and Carol Kaminsky.

The family will be receiving visitors at Ringa Funeral Home, 122 S. Milwaukee Ave, Lake Villa, IL 60046. Masks will be required both indoors and outdoors. As Kandice put it, "We know you loved him like we did." The family wants everyone to be able to pay their respects, but they have requested that everyone please keep your visits brief for the sake of everyone's health. Congregating inside the funeral home and outside in the parking lot will not be allowed. Visitation will be 3 – 8 p.m. on Tuesday, September 22, 2020 at the funeral home. “ I met and worked with "Jakie- boy" in Tampa FL. at Busch Gardens. We tore down most of Gwazi together and were working on building "Iron Gwazi". A new hybrid rollercoaster by R.M.C. He was a good kid and a hard worker. We had fun working for R.M.C. and when we got a day off once, I remember we waltzed into the park and rode rollercoasters all day ! I had a hangover too ! That kid amazed me. His scooter, his riding & the tricks he could pull. His love of all things coaster. Smart. R.i.p. kid. We had some fun & it was nice to meet you.

“ Dear Jacob,
We dearly miss you. I for one remember you as a little boy, so industrious and inventive. Those are where my memories lie, both your Mother and Father did an exceptional duty to raise both you, and Jessica. We will all miss you forever. Many hearts have been broken and we will be forever changed by your absence.

“ My earliest memories of Jake are on the Trinity campus, likely waiting for Mom to be finished with work. Didn't he sit downstairs at the White Horse and play while he was there? And Mom has shared so many stories along these years, keeping us updated on what her kids were up to. Praying for all of you during these difficult days, knowing that the healing will be a forever process.

“ My children grew up with Jake as Kandace cared for them from the birth of my son until he was in 2nd grade. My daughter was only 6 months younger and played a lot with him when they were smaller. Jake created a love for skateboarding in my son.
