

James Tumminello

January 24, 1957 - July 3, 2020

James Edwin Tumminello, age 63, passed away Friday, July 3, 2020 at his home in Lindenhurst, Illinois.

Jim is survived by his wife, Susan; sons, Adam (Karly) and Evan (Erica); grandson, Logan; mother, Stephanie; brother, Ronald (Wendy); and many beloved nieces and nephews and extended family. Jim was preceded in death by his father, Tony, and his brother, Michael.

The world lost the most hard-working, genuine, hilarious, quirky, kind, generous and honorable man. Jim fiercely loved his family and friends. He would do anything for them.

He was an amazing father and mentor. He could fix anything! He loved traveling and camping in the National Parks, and especially loved to visit the Florida Keys. He had a great passion for music of all kinds, particularly jazz and blues. He loved to sail and was a confirmed foodie, once driving 160 miles for dinner! He was a proud supporter of the Lake Geneva Symphony Orchestra and volunteered for all of their gala fundraisers.

His proudest accomplishments were seeing his children receive their college diplomas, having his sons marry amazing loving women, watching his grandson play and learn new things, and celebrating 38 years with Sue in a

fun and loving marriage.

He had a great smile and never-ending sense of humor. We are all so grateful he shared his life and love with us freely and every day! Hugs and I love you were spoken each time he saw you. Raise a glass and have a toast to this amazing man, Jim.

Due to COVID-19 restrictions, the family will hold a private viewing with immediate family at Ringa Funeral Home on Wednesday, July 8th.

The family would like to invite all family and friends to attend an outdoor Celebration of Life Luncheon from 12:00pm – 4:00pm on Thursday, July 9th, at the home of Milo and Cindy Eldridge, 5406 Maple Rd, East Troy, Wisconsin, 53120.

In lieu of flowers, donations can be made to the Lake Geneva Symphony Orchestra in Jim's honor. He was a great supporter and volunteered for all of LGSO's fundraising galas. Donations can be made here: <https://lakegenevaorchestra.org/donate/>

“ As I had only known Jim for a short time as we were co-workers, he had really become a father figure to me once my father had passed away. He had always put a smile on my face and had so much patience as I was learning the collision industry. He had so many wise things to tell me & always had that calmness about him. He always had a great outlook & had such a great/ funny personality. My thoughts are with his family & friends. You will never be forgotten & have a special place in my heart forever.

Hope ur having a scotch up there as I will toast to you

“ My sincerest condolences to Sue and the rest of the family. Jim was such a good person and will be missed very much. I have known Jim since 4th grade when we were in band together. We both were learning to play the saxophone and competing for first chair. Jim was a lot better than me so it really wasn't much of a competition. We went through middle school and high school together and he remained one of my favorite people, as was Sue who I met in high school. I was thrilled when I found out that Jim and Sue were married; two really good and genuine people. Rest In Peace Jim.
