“ *Very saddened to see the news of the death of my Manasquan High School classmate Jeff Kupiec.*

Jeff served in the Boy Scouts with my brother Bob and myself. We had our share of adventures with him at summer camp in upstate New York and various Jersey locations. He always tried his best, despite having to contend with a motley variety of bullies and hooligans at the Jersey Shore. For years to come, Jeff kept Fighting the Good Fight, and he volunteered in many endeavors to make the world a better place.

May Peace Be Upon Him,
