“ It's never a dull moment when we were with my son. Ever since he was a kid he never stop doing any 🎨 art works. I remember during his early school days he sculpted all species of dinasurs out of aluminum foil. It was displayed in the Resource Center at the Elementary School in Glenview. During his high school days he painted an old model Cadillac and served as a masterpiece for all the art student to follow. Some of his Art works will be displayed during the Visitation. He was also an Avid fisherman. He used to work at the Bait Shop making and painting lures. I am sure he will be fishing with St. Peter, the greatest Fisherman of all time. Our ❤️ heart and love will remain forever for Jerry.

“ It was never a full moment when you are with my son Jerry. He mastered his god given talent when he was still a child. He made sculptures of Dinatur of all species out of aluminum foil. All of them was displayed at the Resource Center in Glenview Elementary School where my wife worked as a volunteer. In Glenbrook South High School his work , a painting of old Model Cadillac was served as a Master Model in the Art Class. He also studied in. Oakton Community College and then he proceeded to American Academy of Art in Chicago. He was an avid Fisherman. He used to Work in a fisherman’s Shop making and painting Lures. There was a time when he wants to start a project he would finish it overnight. And that’s what a person he is. Astute , Strict and disciplinarian. Jerry we ❤️ love you very much more than you ever know.
