“ Grandma, you are and will always be a shining star in my life. We grew so close over the last 5 years of my adult life and I cherish all the times we shared. I know you touched many, including Josh and you meant the world to him, as you were his grandmother as well. The last time we spoke, you answered the phone saying "and how are my 3 little Colorado entrepreneurs?" You always had a way about you. Forever in my heart, grams
